Frankfurt am Main

20 December 2022

Dear Vania,

### **Sustainability Standards Advisory Forum (SSAF)**

Thank you for your nomination of the Brazilian Committee of Sustainability Pronouncements (CBPS) membership of the Sustainability Standards Advisory Forum (SSAF). I am pleased to inform you that the IFRS Foundation has selected the CBPS as one of the initial members of the SSAF, in line with the Terms of Reference as published as part of the Call for Candidates. We will be in touch with you regarding the individual representation from your organisation early in 2023.

The announcement of the membership of the SSAF is embargoed until 21 December 2022 at 10.00am (UK time), when the IFRS Foundation will issue a press release.

The International Sustainability Standards Board intends to hold the inaugural meeting of the SSAF toward the end of the third quarter of 2023 and will be in touch in early 2023 with further information. For any queries, please contact Regina Schnee [rschnee@ifrs.org](mailto:rschnee@ifrs.org) or Sam Prestidge [sprestidge@ifrs.org](mailto:sprestidge@ifrs.org)

We look forward to continuing to work closely with you on the establishment of the comprehensive global baseline of sustainability-related disclosures.

Yours sincerely,

**Emmanuel Faber**

Chair ISSB

**Sue Lloyd**

Vice Chair ISSB
